

HANDOUT 10

Table talk is a silent way to reflect, generate ideas, check on learning, develop projects, and solve problems.

Table Talk

Rules of the Game

- No one may talk and anyone may add to the “conversation” as they please.
- You can comment on others’ ideas by drawing a connecting line to a comment.
- Everyone must have something with which to write.
- Everyone should write as they feel moved, commenting on the question.

Reflection Question: How can you connect content to the real world?
