

# Recipe for Ender's Game

## War Genius Cake

Ingredients: One 6-year old War Genius, Several secondary characters, Two nasty bullies, One devilish computer game, One inter-galactic war, Five years of Battle School, Three months of Command School, One Xenocide

Step one: Preheat oven to 350 degrees

Step two: Place War Genius and Battle School in pan and place pan in oven

Step three: Cook pan for 5 years

Step four: Wisk War Genius Mix with nasty bullies and devilish computer game

Step five: Mix in Command School

Step six: Cool War Genius Mix for Three months

Step seven: Stir secondary characters and Xenocide in separate pan

Step eight: Spread Xenocide Mix on War Genius Cake

Serves: 1-infinity (make the slices as big or small as you want)

A dish best served cold.
