

Recipe for "The Hollow Kingdom" By Claire B. Dunkle

Ingredients-

Two young wards, dead father, evil guardian, goblin king, forced marriage, magic sorcerer, life threatening fight, new born prince.

Recipe-

1. Mix together in a bowl, two wards whose father has died.
2. Add an evil guardian who only keeps the wards for the money, and land.
3. Boil in a Goblin king, Marak, who steals Katie (ward) as his Goblin bride.
4. Prepare a plan of the guardian kidnapping and hiding Katie's younger sister (Em).
5. Put it in a pan, and butter it with Marak finding Em, and Katie promising to marry him for his help.
6. Put in a bowl, a magic sorcerer who steals the spirits of the most powerful goblins from the kingdom, including Marak, and leaves only their unconscious bodies.
7. Blend in Katie travelling to Liverpool to find the magic sorcerer and save her Goblin husband.
8. Fry in a pan the magical sorcerer being defeat by Marak's sleeping form.
9. Add in Katie escaping and freeing all the Goblin's and elves, including her husband.
10. Put it all together and sprinkle on top a baby being born to Katie and Marak.
11. Finish and cool with Marak getting better and living happily ever after with his wife and new born son.

Serving-

Serve with friends and perhaps on a scary night. Be glad to have family and the right to divorce. Remember those who are not as fortunate as you, and perhaps do not have family and loves ones.
